

Product data sheet
M12 PCB Panel Mount

<https://finecables.com/m12-pcb-panel-mount-x-coded/651/>

Product description	M12 X-coding Female Straight Connector, PCB Panel Mount, Without Screw, Front fastened, Shielded, Contacts: 8, IP67 / IP68
Part no.	MB12FBSXFI08ST

improper use may result in personal injury.

2. These connectors are designed for use in plant engineering, control systems, and electrical equipment construction. Users are responsible for verifying suitability if using them in other applications.
3. Connectors used in circuits with hazardous touch voltages must only be installed and operated by qualified personnel with electrical engineering training, or under their supervision, in accordance with applicable regulations and standards.
4. Users must take appropriate safety precautions to prevent accidental disconnection of the connector.
5. Please observe the specified pollution degree and overvoltage category. For more details, refer to the "Technical Information" section in our Download Center.
