Product description	SPE 6J-P8 Female Straight Connector, PCB Panel Mount, Push-Pull, Rear fastened, Contacts: 2, Shielded, IP67
Part no.	SPEB08FBSPPR02ST

**Illustration**

**Scale drawing**

You can find the assembly instructions on the next page.

**General features**

Part no.	<b>SPEB08FBSPPR02ST</b>
Standard	IEC 63171-6-2021
Ambient temperature	-40°C ~ +80°C
IP rating	IP67
Mating endurance	>1000 cycles

**Electrical parameters**

Insulation resistance	$\geq 500 \text{ M}\Omega$
Contact resistance	$\leq 20 \text{ m}\Omega$
Shielding	Available
Rated current	4A
Rated voltage	60V D / C

**Material**

Connector insert	PA
Connector contacts	Brass with gold plated

Product description	SPE 6J-P8 Female Straight Connector, PCB Panel Mount, Push-Pull, Rear fastened, Contacts: 2, Shielded, IP67
Part no.	SPEB08FBSPPR02ST
Connector body	Stainless Steel

**Security Notices**

The connector must not be plugged or unplugged under load. Non-observance and improper use can result in personal injury.

The connectors have been developed for applications in plant engineering, control and electrical equipment construction. The user is responsible for checking whether the connectors can also be used in other areas of application.

Connectors which are used in circuits with voltages dangerous to the touch may only be installed and used by, or under the supervision of, persons with electrical engineering training, taking into account the applicable regulations and standards.

The user must take suitable safety precautions to ensure that the connector cannot be accidentally disconnected.

Please observe the pollution degree and the overvoltage category. For further information, please refer to the download center "Technical Information".
